
Retail Revolution

Triple your retail sales dollars in two hours- guaranteed!

This is the only retail workshop guaranteed to change the way you interact with your clients and sell products and services.

Retail Revolution is transforming the industry and empowering beauty professionals all over the world.

This brand new workshop gives attendees simple easy to follow steps that once applied will dramatically increase sales. Did you know that selling more retail is actually the only way to immediately increase sales in a hair salon or beauty spa.

The focus for this session will change the conversations and interactions you have with your clients and transform their salon experience.

This is a session no stylist or therapist can afford to miss! This is a hands on session complete with worksheets and action plans to take back to your salon or spa.

Worksheets included for each attendee.

Duration:

2.5 hours

Suitable for:

Salon, Spa owners
Managers
Beauty therapists
Hairstylists and trainees

What attendees can expect after a total salon solutions session:

For salon owners and directors:

A transformation in mindset. A clear plan of what to next. A feeling of empowerment and new business tools to take back into their salons and spas creating a dramatic increase in profit!

For employees, commissioned staff, stylists, trainees, beauty therapists:

A complete transformation and insight to how a salon operates and most importantly how vital is it for a business to be profitable. A step by step easy to follow plan to sell more retail, sell more services and have a winning attitude.

Each attendee - both for salon owners and their employees - will receive a take home workbook and action plan designed for their individual salon or spa.
